1907-2007

PUBLIC SERVICE ANNOUNCEMENT

Please run this PSA until **Thursday, November 8th, 2007** – thank you!

Help St. Paul's get an MRI

SASKATOON (September 19th, 2007) –

Are you and your friends or co-workers looking for a fun event to participate in this fall? Then sign up for the **St. Paul's Hospital Foundation MRI Radio Blitz**. The goal of this two-day fundraiser is to raise money to purchase an MRI for St. Paul's Hospital. Host a special event - a car wash, BBQ, raffle, bake sale or silent auction, then come to the hospital November eighth or ninth to present your donation. Or, you and your friends can volunteer during the Blitz answering telephones. Your support will help raise money for an MRI at St. Paul's, allowing us to continue providing outstanding patient care to the Saskatoon community. The **SPHF MRI Radio Blitz** - November 8th and 9th - sign up today! Please call **655-5832** (SIX - FIVE - FIVE - FIVE - EIGHT - THREE - TWO) or email carolee.milroy@saskatoonhealthregion.ca for more information.
